

## CPS USA ONLINE APPLICATION FOR YOUNG MEN & LADIES

<https://us-app.cps-inc.org>

When a youth is ready to fill out an application, have them go to this site and fill out everything all the way to the end and submit. When that has been submitted it will email the pastor that was entered into their application and give him the opportunity to fill out the rest and submit it from his end. The recruiter will then be notified that the application is ready to be processed. The youth and the pastor will receive a confirmation email when the application is accepted.
