

CONFERENCE SCHOOL COMMITTEE
CHURCH OF GOD IN CHRIST, MENNONITE
INTERNATIONAL SCHOOL AID FUND
2023 - 2024 APPLICATION FORM

The primary purpose of the International School Aid Fund is to provide limited financial assistance to schools with their startup costs. This applies specifically to countries in which the Mission Board is currently working or has withdrawn their presence and the congregations/schools are indigenous. Requests for assistance shall be made by the appropriate Liaison Committee or Mission Board personnel. Since this fund is maintained entirely with freewill donations and the funds are limited, applications will be accepted only on a yearly basis. These requests will be reviewed and assistance given based on available funds.
