

CONFERENCE SCHOOL COMMITTEE 2023 - 2024 SCHOOL MENTOR RECRUITMENT

Over the past number of years, we have been made aware of a need. Some of our younger or inexperienced teachers are wondering if it would be possible to have experienced teachers help as mentors (4+ years). The question is asked, "How can we access the information and inspiration we need for particular curriculums, teaching methods, etc.?" Some are enjoying this blessing of giving and receiving for which they are grateful. We are coming to you and asking if you would be willing to help further the assistance to our younger teachers? This program is totally voluntary. If you're interested, please fill out this form so we know what you would enjoy being involved in! Financial responsibility for travel will be provided by the school receiving help. Thanks for your consideration.

Please print clearly and respond before June 15, 2023
